

Petrocon Buying Group

This program can generate savings for LICA members on their oil, tires, lubricants, anti-freeze, rubber track purchase, and more by affording them the opportunity to join a large buying group. The Petrocon membership fee is waived for LICA members.

Members-Only Portal

The members-only portal provides access to the full product line and pricing to order:

- ◆ Lubricants & Greases
- ◆ Antifreeze Analysis Kits & Testing Tools
- ◆ Chemicals & Cleaners
- ◆ Commercial Truck & Automotive Tires
- ◆ Construction & Agriculture Rubber Track
- ◆ View order history, status, pricing
- ◆ Create templates for reordering

Piston & Piston Kit Program

The pistons are the hardest working components CTP Crown & Skirts now sold separately inside a diesel engine. CTP pistons are designed and manufactured to meet most rigor and stringent specifications.

Cooper Tire Program

Petrocon can now offer a special discount program with Cooper Tire & Rubber Company. It's an American company that specializes in design, manufacture and sales of replacement commercial truck tires.

CAT® Parts Replacement Program

Petrocon has launched a brand new CAT® aftermarket replacement parts program. This national offering is a full comprehensive program to replace OEM Caterpillar® parts at substantial savings to our contractors. Expected savings are 20%-40% over OEM parts.
